*The First Year Teacher Evaluation is sent to alumni who graduated the previous academic year. The First year teacher is asked to rate themselves on five main goals, using a 4 point scale. Participation is voluntary. Evaluation items are rated on a 4 point scale: 1-Not at all prepared 2-Not sufficiently prepared 3-Sufficiently prepared 4-Well-prepared. Results are reported as an average score for each survey item

During the academic year 2018-2019, the 1st year Teacher Program Evaluation Results were disaggregated based on elementary completers and secondary completers. This change was initiated by the previous year's CAEP Annual Report Feedback.
